Custom properties in use

```css
:host {
    border: var(--spectrum-card-border-size) solid transparent;
    border-radius: var(--spectrum-card-border-radius);
    box-sizing: border-box;
    display: inline-flex;
    flex-direction: column;
    min-width: var(--spectrum-card-min-width);
    position: relative;
    text-decoration: none;
}
```
